

REVOLUTIONIZING CANDIDATE CARE IN TODAY'S MODERN WORKPLACE

Only 1 in 219 applicants gets hired. Do you know what the other 218 are doing to your brand?

LEAVE A POSITIVE IMPRESSION WITH EVERY CANDIDATE

Show you acknowledge the person behind each application. Give all declined candidates access to Mercer | CareerArc Candidate Care--our award-winning software, complete with resume and cover letter builders, skills assessments, video interview practicing, job matching tools, and more.

Your declined job applicants will find their next job faster, and have you to thank.

- **Strengthen & protect the brand you've built**
- **Keep candidates interested in your future opportunities**
- **Give your talent community good reason to continue advocating for your brand**

BE A TRUE ALLY

Deliver a meaningful candidate experience with ease.

-  **Quick 1-day setup and launch gives your candidates instant access to our transition solution and a custom experience wrapped in your brand.**
-  **Integrated within your Applicant Tracking System (ATS), allowing you to automate notification to all declined candidates in real time.**
-  **Our subscription-based model allows you to offer our transition software to anyone you choose, no limits or restrictions.**
